

Accessibility Statement for Cloudse

This is an accessibility statement from Cloudse.

Measures to support accessibility

Cloudse takes the following measures to ensure accessibility of Cloudse:

- Include accessibility as part of our mission statement.
- Integrate accessibility into our procurement practices.
- Assign clear accessibility goals and responsibilities.
- Employ formal accessibility quality assurance methods.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Cloudse is fully conformant with WCAG 2.1 level AA. Fully conformant means that the content fully conforms to the accessibility standard without any exceptions.

Additional accessibility considerations

Images have alternative text captions for accessibility purposes.
